

## Runfurther Committee minutes, 8 August 2015, Bradwell

Venue: The Old Bowling Green, Bradwell 6.40pm

Present: Andy Robinson, Nick Ham, Dick Scroop, Karen Nash

### Minutes of the last meeting.

Accepted as a true record.

### Matters arising from the minutes

1. Carmine de Grandis has agreed to join the committee but Nigel has declined. We need to try to find a specific role for Carmine, perhaps social media?
2. Rewards for those who have completed 4 races this year were given out today, more to be taken to next races also.

### Sponsorship

1. AR and KN have both spoken to Matt Bland and Jon Broxap. Nothing has been confirmed yet but it sounds very positive. **Action: AR** to follow up.
2. No luck with Silva as the decisions are made in Sweden. We need another sponsor.
3. **Action: KN** to try Lyons again.
4. Raid Light have paid this year now. **Action: AR** to ask them if they are in for full amount next year, if not we may need to decline.

### Committee

We still need a social media boffin, perhaps Carmine could do this. DS offered to do prizes next year if he is fit enough to do Grand Slam.

### Insurance

**Action: AR** to resolve.

### AGM and Party

AR, DS and NH can be present so agreed to go ahead with Tour of Pendle date. **Action: KN** to confirm with pub and also to ask re cost of sandwiches, chips, tea, coffee. (NH says we have enough to subsidise this for members). **Action: AR** to announce date and venue, **Action: KN** to work out likely time after race from previous results.

### Finance

1. Corporation Tax issue is resolved and we have documentation saying there is none to pay.
2. If they come on board Bland's may have an issue with cash next year but may be willing to pay in kind, eg the cost of the rewards via their business.

### 2016 races

Spreadsheets and ideas were discussed at some length. Agreement on Haworth (S), Marlborough Downs Challenge (S), Open to Offas (S), Evesham (M), Pennine 39 (M), Jedburgh (M), Welsh 10 Peaks (L), Three Rings of Shap (L), Apocalypse (L) and Ultra Tour of Peak District (L). Also Calderdale

as either S or M. We agreed we might need to move the boundaries to 37 and 50 miles to gain more S and M races, we have no issue finding lots of good long races. The 12th race could be Lyke Wake (M), Round Ripon (S), Princess 30 (S) or any other suitable. **Action: all** to check this and decide by email.

### **Post-meeting**

KN will be away from late October but is willing to produce certificates as last year and also A4 flyer of races. These could also be used for A5 unless we fund postcards again.
