

Runfurther Membership Form

Since January 2014 Runfurther has been a Company Limited by Guarantee, a company owned and controlled by its members - by ultra runners for the benefit of ultra runners. The only liability on members is that they guarantee to meet the debts of the Company up to a maximum amount of £1 (one pound). The new company will:

- encourage and support ultra distance fell running and off-road races having due regard to the environmental and other impacts of the sport;
- provide services to ultra runners and race organisers;
- establish and promote annual competitions for ultra runners based on participation in designated events; and
- promote the participation in such events by runners of all abilities.

To make that work we do need members to fill in an application form to accept the commitment to the £1 guarantee. Full details are on our website www.runfurther.com.

Membership is free, and you only need to join once (starting Jan 2014)
